

WHO WE ARE

Weeda App is the first social media app for cannabis industry that is fully created with the help of everyday cannabis-friendly users and cannabis business owners. Working with the feedback from our users, Weeda App developers have created an amazing app that is focused on promoting cannabis businesses worldwide. On Weeda, companies can post videos, images, can comment, share and most importantly you can advertise and boost your products and offers without any issues, hence you are directly in contact with thousands of users that are passionate about cannabis! So, through the app, you will have the right people you want to engage! Pin your company on the MapView - feature that has been specially created for our app! With MapView your company will stand out through a pin that shows your company logo so it will be easy to find. As well, users that are buying products from your store can advertise your products on the Map and pin images of those products, review, comment, and share.

- Connect with thousands of cannabis users worldwide
- Pin your company on the map and stand out!
- Advertise your company products
- Add your Online Store directly to your profile
- Share images/videos without any penalties
